Vessel Christian Foundation is a 501 (c) (3) public charity, a not-for-profit corporation, and a non-denominational organization. Vessel was founded in 1997 as a result of discussions among caring Christian community leaders.

The mission of Vessel Christian Foundation is to connect caring financial contributors with organizations that are developing and implementing Christ-centered, thoroughly Biblical, culturally relevant, and emotionally healthy programs and services where people's needs may be truly met. As a result, people will be internally compelled to consider the claims of Christ. Ultimately, we will see more people coming to Christ, more people's lives impacted for good, and positive cultural change in the region and beyond.

VESSEL CHRISTIAN FOUNDATION HAS FIVE PILLARS OF FOCUS:

1. **Healing the Wounded** – providing counseling for individuals and families
2. **Education Blueprint** – developing and enhancing Christian education
3. **Support Services** – providing services to churches, organizations and donors
4. **Community Partnerships** – strengthening teamwork in the Red River Valley
5. **Feeding the Hungry** – helping programs that feed those in need
